"The Official Staff and their Payment."

Under this caption the Cariboo *Sentinel* of the 10th instant indulges in some strictures upon an article which appeared in these columns a few weeks ago in reference to the extravagant expenditures of the Government upon officials in the district of Koo'enay. Our remarks were based upon the statements of a local correspondent, who alleged that in a community numbering all told only forty-five white persons an official staff was maintained consisting of a Stipendiary Magistrate, Clerk of Bench, Chief Constable, two subordinate Constables, besides other assistants, whose aggregate salaries amount to $10,000, and that in addition to this other allowances were made to this district for buildings, trails, and other purposes, which swelled the total expenditures to the large sum of $18,000, or $400 per head of the white population. We took the ground that such an expenditure for so small a population was excessive beyond all reason, and that the general interests of the country demanded that steps should be taken to cure the evil. The *Sentinel* thinks we did not put the question fairly, for the reason that in the Kootenay District there is a large population of warlike Indians, who have on previous occasions given considerable trouble, besides a large concourse of Chinese miners. "These gentry," it says, "when placed in close juxtaposition, require considerable watching and some protection and government." We are quite free to admit that these people, as well as the forty-five whites, should enjoy the protection of law, and that there should be some one in that locality with power and authority to administer justice and keep the peace. But we entertain the opinion that all that could be effected at a much less cost to the country than ten thousand dollars per annum. We are credibly informed that the resident population of the Kootenay District are essentially a peaceable and law-abiding people, and that so little use is there for a Stipendiary Magistrate there, that scarcely a half dozen times in the course of a year are his magisterial services called into requisition. Were the people of Kootenay—Chinese, Indians and whites—of such a lawless, turbulent character as our contemporary would have them understood to be, we should surely hear something more about them. The records of the Courts would tell some other tale than the annual presentation of a pair of white kids to the Judge on the occasion of his visits to that district. The fact is, the Stipendiary Magistrate and his Bench Clerk have so little to do that they scarcely know what on earth to do with themselves three-fourths of their time, and that were it not for an occasional petty theft or drunken brawl to relieve the monotony of official life, they would die of absolute *ennui*. "It may be possible," says the *Sentinel*, "that the official staff in Kootenay is too large; and to us—and we are tolerably well acquainted with both districts—it does seem most unreasonable that a staff equal to that of Cariboo, the most important, populous, and greatest wealth-producing district in the Province, should be required to govern this outlying and thinly populated mining camp." Comparisons are odious, and it is only when our contemporary comes to compare its own "populous" district with "thinly populated" Kootenay that it seems capable of comprehending the unreasonableness of the system to which we so strongly object. It is the system with which we find fault, whether applied to Kootenay, Cariboo, or elsewhere. Two local Justices of the Peace could dispense all the summary justice called for in the Kootenay District, without costing the Government a dollar in the way of salary. The fee system, whatever our contemporary may think to the contrary, would no doubt operate just as well there as it does elsewhere. Why should it not? It prevails in the Eastern Provinces, and where is justice meted out more firmly or more fairly? If a man there gets drunk, commits an assault, or is guilty of any other finable offence, he is made to pay not only the fine but the fees of court as well, which are fixed at a rate to cover all costs, magistrate's and constable's fees, etc. We take precisely the opposite view of this question to that held by the *Sentinel*. It says, "While officers are properly paid in a district like Cariboo it will always be an object with them to collect as much revenue as possible in order that their section of country should appear perfectly solvent and able to pay its own expenses, there being thus an inducement to zeal and honesty." "On the other hand," it says, "if officers are to be paid by fees, the temptation to increase their earnings is constantly before them, and will surely in many instances, especially where accounts are not in a constant state of audit, lead to imposition, fraud, and disgrace." Now, according to the *Sentinel's* own showing the tendency of the stipendiary system is to prompt magistrates to use undue severity and deal unfairly with persons brought before them charged with trifling offences. We have frequently been surprised to see a magistrate inflict the highest penalty the law allowed him to impose for an offence that in Ontario would be amply atoned for by a ten shillings fine; but we now begin to comprehend the motive which prompts such stern pecuniary penalties for trifling offences—it is that "as much revenue as possible" may be collected, not that simple justice be done and the majesty of the law be vindicated. An honorary Justice of the Peace, who should be a respectable business man, and who would be content with remuneration for services performed, would be above the temptation to increase his earnings in the manner suggested, for the very good reason that the amount of business in any neighborhood would scarcely make it worth while to do so. And were every magistrate required to make quarterly returns of convictions and fines, and were those returns published in one or more of the local papers, as they should be, we should like to be informed in what way such a system could lead to "imposition, fraud and disgrace." Our opinion is that Stipendiary Magistrates might very well be dispensed with altogether and in their stead appoint three County Court Judges—trained lawyers—who could easily discharge all the duties the stipendiaries now perform, give greater satisfaction, and leave honorary magistrates to dispense summary justice.

Further of Mr. O'Reilly's Trip over the Chilcoten Plains from Bute Inlet.

Mr. O'Reilly travelled from Tiedeman's camp on the Homathco, to the Fraser, by the west branch of the river. For about 60 miles very few Indians were met with, as they were on their way to the Inlet (Bute) to engage in the salmon fishing, and they proceeded thither by the east branch of the river. The country of the plains is level, but as arid, sandy, while, growing pine grass; the country resembles somewhat that known as the "grass timber," on the way into Cariboo. Numerous small lakes are on the route. There would be no difficulty to construct a railway over this portion of the district; and it is believed Mr. McLennan's party, with which is Mr. F. W. Green, C. E., will get over three-fourths of the ground this season. Mr. Tiedeman's party, it is thought, will work over the remaining fourth; the labor in connection with the latter, is most arduous and severe; the men themselves having to pack forward supplies every other day, in order to enable them to survey on the intervening day. The canon of the Homathco, estimated to be fifteen miles in length, is as rough and as difficult to construct a road through, as in any section of the Province, yet with perseverance and the necessary capital, it can be accomplished. The serious obstacles are believed to exist in the building of a line from the head of the Inlet to the coast. This section is in charge of Mr. Gamby. The men were all in good health; and it is hoped that by this time the twelve Indians sent from the Fraser to assist Mr. Tiedeman, will have arrived. Six of them are to remain with his corps to pack camp towards McLennan's party, and six are engaged to carry supplies from the Fraser stores, to Tiedeman's. There are good grazing and farm lands in other portions of this large district, but a portion of Mr. O'Reilly's duties being to hold intercourse and communicate with certain of the natives, he had to travel in a direction to reach them, and in his march encountered the country of arid level plains dotted with small lakes, and covered with stunted pine timber.

A Happy Event.—The Portland *Bulletin* of the 13th furnishes this: The little town of Vancouver has had a variety of sensations within the last week, but on Sunday evening a pleasant affair took place at the Sisters that will give the young folks and old folks a subject for gossip for the next thirty days. It was the marriage of no less than three couples who by a sort of an agreement determined to all celebrate the event at the same time. The contracting parties, who were thus united in the holy bonds of matrimony, were Mr. Edward Dupreas to Miss Hannah Sheppard, Mr. George Weber to Miss Mary Bashy, and Mr.—Goodwin to Miss Mary Price, all of Victoria. Congratulations followed, and it is needless to say that there was joyful times at Vancouver on Sunday evening.

Virtue Rewarded.—It will be remembered by our readers, that a few months ago Dr. Siddall, the well known dentist of Cariboo, published in the Standard a card of thanks to Master Jenkinson, in the employ of Mr. C. Redfern, for returning to him a roll of bank notes which the Doctor had lost in Mr. R.'s store. Dr. Siddall returned from Cariboo on Saturday week, and notwithstanding that eight months have elapsed since the occurrence, he has not forgotten the circumstance and to which he testified in a substantial manner by purchasing a handsome silver watch, which he presented yesterday to Master Jenkinson. The watch bears the following inscription: "Presented to W. H. Jenkinson by Dr. Siddall of Cariboo, in gratitude for his honesty in returning to him $715, lost by him in Victoria, on Nov. 30th, 1871."

Marriage.—Mr. James P. Goodhue, purser of the steamer California, was united in marriage, at St. John's Church, Victoria, on Tuesday evening last to Miss Fanny Cooper, second daughter of Capt. Jas. Cooper of that city. The steamer was gaily decked with bunting and a gun fired in honor of the event; at Port Townsend the citizens gave them a salute of seven guns. The *Bulletin* hastens to respond to the event by offering to Mr. and Mrs. Goodhue hearty congratulations upon their happy union and also to the near friends who so warmly rejoice in it and there are hundreds who join with us in warm wishes for the lasting welfare of the happy pair.

The Attendance.—The Public Schools of the city were reopened yesterday at nine o'clock; the principals and assistants of the boys' and girls' schools were in attendance, and were engaged during the day in the task of taking down the names of the pupils, who presented themselves. In the boys' establishment fifty-eight names were enrolled; and in the girls', exactly one hundred. We are requested to state that the pupils of the boys' school are desired to be in attendance at the school at nine o'clock this morning; the girls' school will not commence until to-morrow morning, owing to the room being not quite finished; the teachers, however, will be in attendance to take down further names.

Point Ellis Bridge was commenced to be dismantled yesterday by the contractors for the new structure. Vehicles, etc., from districts on the other side of it, have to reach town by the Burnside road, which is several miles out of the way. We have been led to understand that the road connecting the Craigflower with the Burnside would be made somewhat passable for waggons. The Governor and Attorney General, who drove over it yesterday, will see that something should be done to this highway.

An Indian Outrage.—Owing to the Point Ellis bridge being closed, Mr. J. T. Howard, the Esquimalt postmaster, took the mail to the ferry, Indian reserve, yesterday. While he was delivering the mail at the post office, the Indians cut loose his horse, stating that Sir James Douglas had given them that land, and they would not allow any white man's horse to be tied up in it.

Panthers.—Mr. Pears of Metchosin, who is the Nimrod of that district, yesterday brought to town the head of the seventh panther which he has killed this summer.

THE LIEUT.-GOV. ARRANGES THE SKEENA INDIAN DIFFICULTY!

A Visit to Queen Charlotte Island.

The following is a diary of events since the sailing of the above vessels:

July 24th—Proceeded from Esquimalt to Cormorant Bay, prior to embarking His Excellency the Governor.

July 26th—Embarked the Governor and Mr. McCreight, Attorney General, and proceeded to Nanaimo; arrived there at 10 p.m.; found the Boxer lying here.

July 27—Proceeded out of Nanaimo in company with the Boxer; anchored in Menzies Bay at 7 p. m.

July 28—Got under weigh, taking the Boxer in tow, and proceeded to Port Harvey anchoring there the same evening.

July 29—Steamed out of Port Harvey with the Boxer in tow, and reached Fort Rupert at 4:30 p. m.

July 30th—Steamed out of Fort Rupert with the Boxer in tow, and at 8 a.m. were clear of the Straits; passing the Queen Charlotte group. On our way up we were met by a canoe with some white people and two Indians in it. They informed us that the Indians would allow no white people to go up the Skeena river, and as yet they had heard of no massacre in that quarter; the Indians did not object to whites coming down the river. Called in at McLaughlin Bay, then proceeded to Kynamt Bay, and at 9 p.m anchored.

July 31st—Steamed out of Kyumat Bay, towing the Boxer and proceeding up Finlayson Channel; anchored in the evening in Coghlan harbor.

August 1st—Steamed out of Coghlan harbor; towing the Boxer, and reached Metlakahtla at 3 p. m.

Aug. 2nd—Got under weigh, towing the Boxer and calling in at Kitkatlah and anchored there; raining incessantly.

Aug. 4th—Remained at Kitkatlah the whole day on account of the inclemency of the weather.

Aug. 5th—Steamed out of Kitkatlah and arrived at Skiddegate at 3 p. m.

Aug. 6th—Remained at Skiddegate, Graham Island, Queen Charlotte group. The Boxer went away early to visit Lasketti, and investigate a case amongst the Indians.

Aug. 7—Proceeded under steam along the coast to join the Boxer, and at 5 p. m. observed her; it appears that the magistrate, Mr. Spaulding, had occasion to fine the natives and forfeit their canoes, for committing depredations on a neighboring tribe. Steaming all night.

Aug. 8—Arrived at Metlakahtla at 3 p. m. and proceeded on to Naas river, having landed Mr. Duncan at the first mentioned place.

Aug. 9—Got under weigh and proceeded to Fort Simpson, and from thence to Metlakahtla, anchoring there the same evening.

Aug. 10—The Lieutenant Governor held an interview on board, with some of the chiefs and members of tribes of the Skeena river. No massacre has taken place as reported. The Indians regretted what they had done,—preventing travellers to pass up the river to the mines; and they promised not to repeat the offence. They complained that their camps had been burned down by whites, but they believed it to have been unintentional. The Governor replied, that as the offence of the natives was the first, and as they were no doubt ignorant of the law, he would not inflict a punishment on the present occasion, but would visit them severely should they again offer to molest travellers.

Aug. 12—To-day the Lieut. Governor distributed some money among the Indians who had lost so much by the burning of their village up the Skeena, and which was accidental.

Aug. 13—The Governor landed this morning and laid the foundation stone of the new church at this place, and in the afternoon we proceeded under steam and anchored in Stewart anchorage at 7 p. m.

Aug. 14—Proceeded under steam all day, and anchored in Plympton Channel.

Aug. 15—Proceeded under steam and called in at McLaughlin's, where the Governor landed and had an interview with some of the chiefs there; proceeded and anchored in Safety Cove, Calvert Island; took in Mr. Farron and two other passengers.

Aug. 16—Proceeded under steam, passing by Fort Rupert and calling in at Alert Bay. Mr. Spaulding, S. M., went on shore and found that the chiefs with whom the Governor intended holding an interview had returned to their homes three days since. Met to-day a cutter,—the Triumph, belonging to Messrs. Matheson,—proceeding up the Straits from Victoria; she reported herself bound on a fishing cruise. Anchored in Forward Bay.

Aug. 17—Proceeded out of Forward Bay, towing the Boxer; came down through Seymour Channel; sent the Boxer on to Com x for our mail, and proceeded to Tribune Bay, anchoring at 6:30 p. m.

Aug. 18—Proceeded under steam to Nanaimo and left the Boxer to proceed to Bute Inlet. Landed Mr. Spaulding.

Aug. 19—Proceeded out of Nanaimo, arriving at Esquimalt at 4 p. m., passing through Active Pass exercising the great guns.

From Puget Sound.—The North Pacific arrived at one o'clock yesterday afternoon from Olympia and way ports, with thirty-three passengers, twelve head of cattle, a quantity of fruit, etc. She leaves at noon to-day on her return trip. The following is her passenger list: D. Hill, Butler, Gilroy, Wm. Ash, J. C. Ash, Walter, Perce, Saunders, Goshan, Munks, Meyers, Playter, Miss Pelke, Capt. O'Neil, McAlester and wife, Langley, Moreland and wife, Gibson, Rickwell.

The Weekly Standard, now the largest journal published in the Province, and containing forty-eight columns of well selected reading matter—correspondence, telegraphic news, etc., is issued this morning, and on every Tuesday morning. Orders through our agents, a list of which appears on first page, or sent direct to the office, will meet with attention. Subscription, $5 per annum.

The Alabama Claims Dwindle into Insignificance.—A Geneva letter says, according to a New York dispatch of August 13th, the American claims for damages by privateers sum up to about $7,000,000. English papers in the case, however, fix the damages at $2,000,000, which, it is contended, should be paid, if indeed any guilt is to be laid to England at all.

Commendable.—The S. P. Society for the prevention of cruelty to animals, recently seized a box two feet by five and eight inches high, containing 36 live chickens, which had been brought from Portland by steamer. The fowl had not received food or water on the trip down. The parties bringing them will be prosecuted.

Passengers.—Portland, August 17—The steamer California sails for Puget Sound and Victoria this evening. The following are her passengers: H. A. Webster, Mrs. J. S. Johnstone, Abel Endry, wife and child, Amos Currier, Mrs. Robert Pittock, Capt. Jas. D. Miller, wife and daughter, Geo. Currier and Miss Octavia Mercier.

Papers.—Hibben & Co., per North Pacific yesterday, received their usual supply of late California and Eastern journals.

PUBLIC MEETING.

A Public Meeting will be held at Alhambra Hall, on Thursday evening August 22nd, at 8 o'clock when Mr. DeCosmos will address the Electors on the political issues of the day.

Police Court.

[Before A. F. Pemberton, Esq.]

Monday, August 19, 1872.

Constable Rappitt charged two Indians in Court with being concerned with three others in an affray, and with assaulting Mrs. Booth of the Rock Bay House, Mr. Sparks, Paymaster, R. N., and a Chinaman. From information he had received, he went on the 11th inst. and arrested them. They were remanded eight days.

Ah Yen, Ah Toy, in jail on suspicion of being concerned in the robbery of the London House, were remanded until Wednesday next on application of Mr. Bishop, counsel for prisoners.

Ah Toe, charged with misprision of felony, was also sent back till Wednesday.

Two hard looking individuals—old offenders—Pete Williams and Charley Davis, were brought before the Magistrate for supplying Indians with spirits. Davis pleaded guilty, Williams was convicted and they, each, were given six months, or pay $100 fine. Hard labor was added to Davis' penalty; Williams is a man bereft at times of sound reason.

Charley—Saanich siwash—fined 5s. for drunkenness, and unbecoming conduct. Charley's family liberated him by paying the fine.

Washington Territory.

By the North Pacific yesterday we received files of papers from which we extract: Wm. Hilton, mate of the Sampson, was found guilty at the District Court, Seattle, of an assault upon a sailor on the high seas. G. A. Nichols, master of same, was convicted of maltreatment, &c., on the high seas. Notice was given of a motion for new trial in this case.

The Seattle papers state that lands liable for school taxes, and in which many British Columbians are interested, will shortly be sold without fail, should the owners not pay the amounts due thereupon. A rumor was current at Steilacoom a few days ago, that Tacoma had been fixed upon as the terminus of the N. P. R. R.

Messrs. Webster & Co. are building a three hundred ton schooner at Port Discovery, intended for the Coose Bay and San Francisco lumber trade. Seattle foundry is again in blast. Mr. Jones has got it into working order.

Big River is the name of a schooner just launched at Freeport, and being rigged at Seattle. The new Baptist Church at last mentioned place is nearly ready, and will probably be dedicated on Sunday next. Vivian still holds out at Seattle.

In the construction of the Sweeney line of telegraph to connect Port Townsend with the W. U. line at Seattle, there will be a span of the wire across Hood's Canal, below Port Gamble, said to be, (when completed) the longest in the world—a mile and three-quarters—and will allow the tallest spars to pass underneath.

It is stated that ex-Governor Saloman of W. T. will "stump" California for Grant and Wilson. The P. T. *Argus* says a wad from a gun fired in honor of the marriage of Parser Goodhue, fell on the deck of a vessel at that port, and burned a hole through, damaging it to the extent of $30. Budd's Inlet is to be included in the survey of Puget Sound, at present being prosecuted by the Fauntleroy, Capt. Lawson.

The Olympia *Tribune* publishes a correspondence to the effect that the Robinson Troupe is unable to pay for rent of the town hall. The company have been playing to losing houses. They left for Portland on the 16th. The Washington Base Ball Club of Olympia have issued calico tickets for a calico ball, to be given this evening. Those vessels which had been tied up for two weeks for a non-compliance with the U. S. steamboat law, were released on Wednesday last.

The Grace Darling has cleared from Freeport mills with a cargo of railroad ties for New Zealand.

From Nanaimo.—Drowned.—The steamer Emma, having in tow the schooner Black Diamond, arrived from Nanaimo yesterday morning with cargoes of coal for Messrs. Brodrick & Co., from the Newcastle seam. Captain Rudlin informs us that he visited this pit on Saturday; he has a favorable opinion of it. The miners have cut through the upper seam and found it to be two and a half feet of excellent coal; under this there is a layer of two and half feet of fire clay, and then another seam of coal of three feet in thickness. The ship Shooting Star had discharged twenty-five tons of bay for the Coal Company, and was waiting her turn to go under the shute to load coal for San Francisco. The Prince of Wales would be loaded on Tuesday or Wednesday. The Adreola had about five hundred tons in. On Friday afternoon a distressing accident occurred on the Douglas wharf. A little half-breed boy who works for a man named Rich, fell overboard and was drowned; his body was found on Saturday morning on the beach, close to the wharf.

Revision of Voters.—Mr. Elliott, Returning Officer for the Vancouver District,—Federal Parliament—will leave this morning by the Douglas to revise the lists in Cowichan, Nanaimo and Comox. On Saturday a court was held at the Lion Brewery for the Victoria polling division; several names will be struck off the roll, should the qualifications be not amended, and the court was adjourned in order to allow voters to amend.

Vancouver District.—The nomination for the Commons for this district will be held at Nanaimo on the 28th inst.; polling on the 4th of September at the undermentioned places: Nanaimo; Comox; Cowichan—at Court-house, at Harris' hotel, and at Chemainus, Askew's house; Salt Spring Island; North Saanich; South Saanich; Lake and Highland, at Stevens' hotel; Sooke, at Muir's mill.

Fire Department.—The Tiger and Deluge Companies have accepted the proposition of the Board of Delegates, with respect to turning over the steam engines to the Department. It is proposed that on the day on which the steamers are handed over—which will probably be on September 5th—the Olympia Firemen and Base Ball Club, and the Hyacks of New Westminster will be present. There will be a grand parade, a ball in the evening, and a general happy time.

Cheap Gas.—There are three gas companies in San Francisco competing for the business, and the price of the article has been reduced to $1 60 per 1000 feet by the old company upon streets where the new company have laid pipes, and on all other streets the price is fixed at $3 50. What has become of the projected cheap supply for Victoria?

Arrest at Portland.—Captain Houton of the Spanish barque Manilla, recently arrived at Portland from Hong Kong with 425 Chinese passengers on board, was arrested by the United States authorities, charged with carrying more passengers than allowed by law. The vessel was reeking with filth.

SPECIAL TO THE DAILY STANDARD

LAST NIGHT'S DESPATCHES.

EASTERN STATES.

Boston, August 17—Greeley arrived here this afternoon, and left for New York this evening.

It is stated that at a meeting held here to-day, it was resolved to ask Charles Francis Adams to be a candidate for Governor of Massachusetts. A telegram on the subject is said to have been despatched to Geneva.

Nashville, August 17—Andrew Johnson spoke here to about three thousand people; the speech was mainly against the policy of placing military men in civil offices, and in favor of amnesty. Speaking of amnesty, he asked amnesty for himself; it is inferred from this that he desires a nomination for Congressman at large.

Chicago, August 17—Thirty-one States have already organized and sent assurance of full delegations.

Memphis, August 17—Early this morning a fisherman discovered the steamer Helen Brooks afloat down the river some ten miles above here, apparently abandoned. Rowing out to her he made a line fast to his skiff and started for land; before landing, however, he discovered a negro sitting asleep on the lower deck, with a shot gun in his lap. When the boat struck the bank, the negro started up, jumped ashore and ran into the woods. The fisherman, on boarding the boat, found traces of a desperate struggle, and the decks covered with blood. He came to the city at once, and reported what he had done. Subsequently the Grand Tower from St. Louis arrived here, the officers bringing a message from the Magistrate at Bradley's Landing, eighteen miles above, where the crew of the Helen Brooks and proprietors, and the family of a trading boat which the Helen Brooks had towed up, had been murdered, and the ship plundered. Assistance was at once despatched; the report is that Capt. Wm. H. Pratt and brother, the two proprietors of the trading boat, and their wives and two daughters, were all murdered, and thrown into the river.

A New Firm.—Mr. A. H. Guild, Mr. J. D. Robinson, both well known in the city, and Mr. C. R. Watkins, lately of Portland, have formed a partnership under the name and style of Guild, Robinson & Co., to carry on a wholesale grocery and provision, together with a commission and importing business, on Wharf street, in this city. Success to the new house.

To-day's Auction of merchandise, comprises (ex Polly, from London) an invoice of very superior clothing, dry goods, furnishing goods, boots and shoes, &c.; also a straight line of perfumery. Catalogues will be distributed at store.—Messrs. Davies & Co.

Yale-Kootenay.—We are authorized by Mr. R. Smith to say that he is not attempting to hold two seats; that in the event of his return to the Commons, he will resign the Local House, provided it is the wish of his constituency.

Divine Service will be held at Saanich on Sunday next, in the morning, at eleven o'clock, at the residence of A. C. Anderson, Esq.; and at the Church, South Saanich, at one o'clock p. m.

Fishing Vessels Capsized.—Six vessels belonging to Berwick upon-Tweed, were capsized in the early part of this month and all on board were lost.

Codfish.—The schooner Flying Mist arrived in San Francisco a week since with 38,000 codfish from Alaska; the second cargo of the season.

The Enterprise went round to the Naval dockyard yesterday morning with a load of Government stores ex Prince of Wales.

For the Inlet.—The steamer Isabel will tow up the barque Jean Pierre to Burrard Inlet, this morning.

For the East Coast.—The Douglas will leave for Nanaimo and way ports this morning at seven o'clock.

Appointment.—Sub-Lieut. Stone, of H.M.S. Zealous, has been appointed to the Boxer.

The Tigers had the hand engine out for a practice last evening.

For New Westminster.—The Enterprise at ten this morning.

The Collegiate school will re-open on the 29th.

The Autumn Manœuvres.—The *Army and Navy Gazette* says that the infantry force at the autumn manœuvres will be made up as follows:—The 2nd Battalion 4th King's, 1st Battalion 7th Fusiliers, 2nd Battalion 15th Regiment, 2nd Battalion 16th Regiment, 2nd Battalion 17th Regiment, 1st Battalion 2nd Regiment, 2nd Battalion 22nd Regiment, 27th Inniskillings, 30th Regiment, 46th Regiment, 50th Queen's, 4th Battalion 60th Rifles, 88th Regiment, 90th Light Infantry, 95th Regiment, 98th Regiment, 100th Regiment, 102nd Fusiliers, and 2nd Battalion Rifle Brigade. The 2nd will remain at Aldershot during the time the army is in the field. The Foot Guards are to be represented by the Crimean Brigade-viz., the 3rd Battalion Grenadiers, 1st Battalion, Coldstreams, and 1st Battalion Scots Fusiliers.

Rev. Mowbry presides over the past. Fell's Coffee over the present. The first lives in a rich temple hung with glorious trophies, and lined with tombs, but Fell's Coffee has but one shrine and that is every breakfast table. Its aroma walks the earth like a spirit and can be found for sale at every respectable dealers in British Columbia. Beware of spurious imitations. 1y

jy25 2w* Address "A. B." Standard Office.

To the Electors of Vancouver Island District.

GENTLEMEN:—On leaving Ottawa it was my intention to withdraw from politics, but since my return home, I have been daily receiving from every quarter of the country the most urgent solicitations to stand before you a Candidate to represent your District in the Federal Parliament. After mature consideration I have acceded to the request of my friends, and have now the honor once more to solicit your suffrages at the coming election. In doing so I would state that it is not my intention to canvass the district, or wait personally on the Electors. My having recently spent considerable time in canvassing this extensive district, and having engagements this season renders my doing so impossible. As the electors are well acquainted with my political views on the leading questions of the day, as well as my public acts in Parliament last session,—if they under those circumstances think fit to return me again as their representative, I pledge myself to use my best endeavors to promote the local and general interests of the country. I shall also give the present Government the same hearty support that I did last session, for I am firmly convinced that by retaining in power the able Statesmen, who at present control and direct the affairs of this Dominion, we take the only sure means to advance the immediate and future progress and development of this Province. Everywhere in the Eastern Provinces of the Dominion at present is to be witnessed the most marvelous progress, and prosperity, in every department of trade and industry. Agriculture, Commerce and manufactures were never before in such a flourishing a condition; all this in a great measure is the result of wise legislation, initiated and carried out by the present Government in whom I recognise the leader of the party of progress. And I hold it to be the duty of your representative to work with this Government in their endeavours to raise this Province to the like degree of wealth and prosperity.

The liability of the outlying settlements to frequent depredations by the Indians, calls for some measure of protection from the Government. I shall again urge upon the Ministry the necessity of employing an Armed Vessel for this purpose, believing that prevention is at all times better than cure. In conclusion I can only say that should I again have the honor to represent you in Parliament, whatever ability I may possess, will be devoted to the advancement and wellbeing of the whole country.

I have the honor to remain
Your obedient servant
ROBERT WALLACE.
Victoria, July 22nd, 1872. jy23daw

To the Electors of Victoria District, including Victoria City, Victoria District, Esquimalt and Metchosin.

GENTLEMEN:—In a short time you will be called upon to elect two members to represent you in the House of Commons, and as many electors have expressed to me a desire that I should offer myself as a candidate for that honorable position, I now solicit your suffrages assuring you that if elected, no effort on my part shall be spared to advance your interests at Ottawa or to assist in legislating for the advancement of the whole Dominion.

Politically I am in favor of giving a generous support to the present Canadian Administration, and should strongly advocate the national importance of the Railroad Policy terminated at Esquimalt. I shall urge the establishing of a Quarantine Hospital at once, the opening of an Immigration Agency at Victoria, the building of a Lighthouse at the entrance to, and the Dredging of Victoria Harbor, I should endeavor, if necessary to obtain an increased guarantee for the Dry Dock, and should press for the benefit and importance of completing the Railroad from the Pacific to Lake Superior, (at least) in the shortest possible time.

From present information upon the subject it appears there is little prospect of both Houses being in Session this year at the same time, but should it prove otherwise and should I be elected to the Commons, I should feel in honor bound, (although with great reluctance) to resign my present seat in the Local House and enable another Gentleman to take my place.

I remain respectfully
Your obedient
Robert Beaven.

To the Electors of Vancouver District.

GENTLEMEN:—Having been urgently solicited to become a candidate for the representation of Vancouver District in the House of Commons, and having received a very general assurance of support in the course of canvassing, I now announce myself a candidate.

Averse to long winded addresses and profuse promises before election, I prefer to be judged by the record of my past acts during the last two sessions of the Local Legislature.

Should you honor me with your confidence, I shall use my best endeavors to obtain the Railway Terminus on the Island, and all other questions which may arise, such as Immigration, Postal Service and the administration of Indian Affairs shall meet my most careful consideration. The liberal policy pursued towards British Columbia by the Dominion Government, is my opinion, entitles the present party in power to the hearty support of the representatives from the Pacific.

Should I be honored by your electing me, no personal consideration shall be allowed to interfere with my faithfully discharging my duty, and it will be my highest ambition to strictly guard your interest.

I shall seek an early opportunity of personally addressing you. Meanwhile I respectfully solicit your influence and votes.

I have the honor to be gentlemen

DR. CHING FUN—A CARD—EDITOR STANDARD:—Though I am loathing of your paper I want to state the very great good that has been done me by Dr. Ching Fun, of this city, and Gee Kheong Lee & Co. For 24 years I suffered with neuralgia of the brain, which baffled the skill of three first-class American physicians. Latterly bronchitis attacked my right lung. Suddenly by a brief, carefully directed Pen pairing at once brought myself to a test restored me to the hands of Dr. Ching Fun, and after five months treatment I am a well man and feel that I cannot sound the eminent Chinese gentleman's praises too loudly, that all my countrymen similarly affected may visit and find relief. Respectfully,
JOHN HENTON, of Kentucky, U. S.

C. FRANCIS BARNARD, M.D.

SURGEON DENTIST.

DR. BARNARD HAS had for SEVERAL months the "Perkins Hyatt," or "Celluloid Base," the newest and latest material adopted in the mounting of whole sets of teeth; he is also using "Wholesome Rubber," which is rapidly supplanting the single dentures or partial sets, the best vulcanites of the last 20 years.

We cheerfully add Dr. B's Card to our columns, convinced that his good taste and judgment, united to natural skill and ingenuity, aided by an extensive practice of upwards of thirty years, render his services more valuable and reliable than those of any other dentist on the Sound, Coast or Island. For details see daily Colonist.
